COMPANY OVERVIEW

Himchuli Steel Tech Industries

Was established in the year 2055 B.S. (1998 A.D.) by Mr. Shankar Singh, who has **25 Years** of experience in designing, manufacturing, supplying and maintenance of commercial kitchen equipments and refrigeration equipment. Himchuli has more than 60 well skilled manpower and dedicated staffs working in three different factories at Kathmandu & Pokhara for best service support. Himchuli specializes in understanding the requirement of customer and provides the best solution understanding their requirement and budget. Himchuli is using advanced tool and equipments to fabricate the kitchen equipments as per the specification and requirement of its valued clients. Himchuli's products are being exclusively used in Star hotels, Restaurants, Hospitals, Pharmaceuticals, Commercial buildings, Bakeries, caterings, etc. Mr. Shankar Singh, a self made man has started his carrier as AC technician and gradually ventured into Kitchen equipment business to support its valued clients in Pokhara since the year 2055 B.S. (1998 A.D.). Later on he has established Himchuli Refrigeration Service Company to provide supply, maintenance, manufacture and design of commercial kitchen equipments at 2060 B.S. (2003 A.D.) from Pokhara. He expanded his business in Kathmandu in 2062 B.S. (2005 A.D.) to provide prompt service support and fulfill the requirement of customers of Kathmandu.

As an entrepreneur, he has visited different international Kitchen equipment manufacturing company in Turkey, Singapore, China, Dubai, Holland, India, etc. to get knowledge and expertise of manufacturing industrial kitchen equipments with better quality and finishing. Mr. Shankar Singh is able to provide complete solution for commercial kitchen. He always believes in hard work and cordial relationship with customers.
